

Jenny Choi Piano Studio – Guidelines

Welcome! I am delighted to have your child in the studio. To help create a positive and encouraging learning environment, here are some guidelines:

1. Lessons

- Piano lessons are held weekly – arriving on time helps us make the most of each session.
- If a month has only three lessons (for example, due to holidays), lessons may be extended from 30 minutes to 40 minutes.

2. Practice and Practice Log

- Consistent practice is key – aim for at least 5 days each week.
- Bring the practice log to each lesson, signed by a parent/guardian.

3. Instruments and Materials

- Students need either an acoustic piano or a full-size digital piano, plus a metronome.
- Books and materials should be purchased in good time and brought to lessons.

4. Concerts

- We hold student concerts in June and December – participation is an important part of the learning journey.
- Additional lessons may be scheduled before concerts to help students feel confident and prepared.

5. Payment

- Tuition is a fixed monthly fee, paid via Vipps (455 11 770) by the last week of each month.

6. Summer Break

- The studio takes a break in July.

7. Ending Lessons

- If you plan to stop lessons, please give at least one month's notice.

Consent

☐ I have read and understood the guidelines for Jenny Choi Piano Studio, and I agree to follow them while my child is enrolled.
